HIGHLINE ANGUS

WELCOME

to the 1st Annual Highline Angus Bull Sale. What a year it has been. The record prices paid for feeder cattle this year shows hope for feedlot profits as the Canadian Dollar trends downward, along with the steep drop in the price of corn. There is now some incentive to maintain or expand herds and become excited about the business again. The million dollar question everyone is asking “Are the prices going to stay the same?”

Talking to some folks that have been in the cow business for a while and seem to know what’s going on tell me that it will be here to stay for the next few years. So ride the wave.

The restocking of the North American Cow Herd has not yet begun because at these prices, there is less risk to feed a heifer than there is to breed a heifer. That being said, now is the time to acquire the best herdsires possible. We are very proud of the bulls we have on offer this year. None of the bulls have been shown or pampered and none have been sold prior to the sale. They have all been raised under ranch conditions. Grown on milk and grass, no creep feed. This process shows us the maternal qualities of their Dams. We feel that the Dam is just as important to producing herdsires as is the sire, our females are feminine and big middled with ideal udders.

We select our herdsires & AI sires for growth & thickness; all the while maintaining structural integrity and strong maternal traits. We feel that this combination produces functional, sound bulls that fit the needs of the livestock industry today.

We are commercial cattlemen too. There is not one bull on offer that we would not use on our own cows. Our goal is to produce bulls that will add quality and value to your program, consistently year after year, and sell with the best guarantee around.

Join us Tuesday, March 17, at the Medicine Hat Feeding Company. Come early for lunch and to view the bulls. Better yet give us a call and stop by before the sale, we would love to show you our bull pen. If you can’t attend the sale, please feel free to give us a call to discuss your bull needs. We look forward to seeing everyone sale day.

Enjoy the breed & live the dream.
